Recommended Minimum Ice Thickness for New Clear Hard Ice

No ice is without some risk.
Measure clear hard ice in several places.

We want to send a HUGE THANK YOU to Communities in Bloom and all the amazing volunteers that helped decorate the beautiful Christmas planters you see around Town

Next Blood Donor Clinic
Thursday February 16, 2026
2 – 7 pm
Carman Community Hall
To book your appointment:
Visit Blood.ca
call 1 888 2 DONATE

BLOOD
PLASMA
STEM CELLS
ORGANS
& TISSUES

You should be prepared to take care of yourself and your family for a minimum of 72 hours.

If disaster happens in your community, it may take emergency workers some time to get to you as they help those in desperate need.

Never miss a curbside pickup again by downloading our app. Visit MWM's website for more details. Schedules are available online

A friendly reminder from your Public Works Department

With the return of the snow, we would like to remind residents that the Town strives to plow and sand all roads in a timely manner. The downtown area is cleared next and once this is complete, crews move to the residential areas, starting with avenues and then moving to streets.

Please do your part to help the crews clear the streets by removing all parked vehicles from the street during or as soon after a snow fall event. *This will allow the crew to provide efficient snow removal as quickly as possible. If vehicles are on the street when equipment arrives, they will be towed at the expense of the owner.*

Please be patient, your street will be cleared as soon as possible!
