

2024 Summer Newsletter

As we embrace the warm days of summer, we hope this message finds you well. We'd like to take this opportunity to update you on some important matters regarding our roads and safety considerations during this season.

Due to the excessive rainfall this season, our road conditions may not be at their best. We understand the inconvenience this may cause, and we are diligently working to address any issues. Your patience and understanding during these months are greatly appreciated.

With summer comes road construction and possible detours. We kindly ask for your cooperation and patience as we work to improve our road infrastructure.

Take time to enjoy what summer has to offer with the fairs and festivals in our community. With agricultural activities in full swing, please exercise caution on gravel roads. Please reduce your speed when necessary. Be mindful of farm machinery and equipment that may be sharing the roads with you. Safety is our priority.

For any concerns or assistance, reach us at 204-745-2301 or info@rmofdufferin.com. Thank you for your understanding and cooperation.
