

## 2025 Summer Newsletter

As summer settles in and our communities come alive with activity, we hope this message finds you well. The RM of Dufferin is happy to share a few important updates and seasonal reminders to help keep you informed and safe.

Infrastructure, Development & Services - Construction season is in full swing across the municipality. Crews are working on road upgrades, drainage improvements, and other infrastructure projects. Planning is also underway for repairs and construction of Bridges. Please be mindful of detours and drive carefully - especially on gravel roads where graders, other municipal equipment and farm machinery may be present.

Our public works team is also reviewing utility systems, water service agreements, and drainage needs to ensure reliable, efficient services for all residents—both now and as our community continues to grow. We're committed to open communication and responsible planning, and we're proud to work alongside local partners to support economic growth, strong businesses, and an engaged community.

If you have questions or need assistance, reach us at 204-745-2301 or [info@rmofdufferin.com](mailto:info@rmofdufferin.com). Thank you for your continued support—and have a safe, enjoyable summer!
